

ENDORSEMENT NO.1/2007

To be attached to and form part of the Policy contract.

Notwithstanding anything to the contrary contained in the Policy contracts attaching thereto, it is hereby stipulated and agreed that, the following provision shall be added under the Policy.

POLICY PROVISION

Extension To Cover Terrorism including losses caused by terrorist attacks using nuclear, chemical and/or biological substances.

Definition of “Nuclear, Chemical, Biological Terrorism”

“Nuclear, chemical, biological terrorism” which is also covered hereunder shall mean the use of any nuclear weapon or device or the emission, discharge, dispersal, release or escape of any solid, liquid or gaseous Chemical agent and/or Biological agent during the period of this reinsurance by any person or group(s) of persons, whether acting alone or on behalf of or in connection with any organisation(s) or government(s), committed for political, religious or ideological purposes or reasons including the intention to influence any government and/or to put the public, or any section of the public, in fear.

“Chemical” agent shall mean any compound which, when suitably disseminated, produces incapacitating, damaging or lethal effects on people, animals, plants or material property.

“Biological” agent shall mean any pathogenic (disease producing) micro-organism(s) and/or biologically produced toxin(s) (including genetically modified organisms and chemically synthesised toxins) which cause illness and/or death in humans, animals or plants.
