

## **AXA COVID-19 Coverage for Foreign Workers**

AXA will be offering COVID-19 Coverage for Foreign Workers on Group Hospital & Surgical and Foreign Workers Medical Insurance. For all new and existing employees and dependants, we will extend the COVID-19 coverage from Day 1 of their arrival in Singapore with effect from 1 January 2021.

The terms and conditions for the coverage are as follows:

### **Existing employees and dependants**

1. Applicable for all Foreign Workers on valid IPA, WP, S Pass, EP, DP or LTVP.
2. The employee/dependant must have continuous cover under the policy.
3. AXA will pay for relevant COVID-19 medical treatment(s) up to the policy limits under the current policy terms and conditions.

### **New employees and dependants**

1. Applicable for all Foreign Workers on valid IPA, WP, S Pass, EP, DP or LTVP entering Singapore on or after 1 January 2021.
2. AXA will pay for relevant COVID-19 medical treatment(s) up to the policy limits under the current policy terms and conditions.
3. Effective date of this coverage will be the date of arrival in Singapore and current premiums agreed under the policy will be charged with effect from the date of arrival in Singapore.
4. Employer/Group Policyholder must declare the date of arrival of the employee/dependant to AXA, prior to their arrival in Singapore.

### **General Exclusion(s)**

1. Any mandatory tests for COVID-19, but not limited to, Polymerase Chain Reaction (PCR) Swab Test or Antigen Rapid Test, upon arrival in Singapore, which does not result to hospitalisation for COVID-19.
2. Charges relating to Quarantine or Stay-Home-Notice (SHN) facilities.
3. If the Employee/dependant is not hospitalised for COVID-19.

AXA reserves the right to revise the term and conditions of this offer should there be any changes in the COVID-19 requirements and advisories from the any local government authorities.

Do contact your insurance agents/brokers or the Customer Care with regards to these enhancements should you require more clarifications or information.
