Why AXA SmartFamily?

AXA SmartFamily is a personal accident plan for the family. On top of financial coverage, AXA SmartFamily offers 8 services, designed to help minimise disruption to daily life during various stages of recovery.

8 Services – On top of financial coverage.

A serious injury or permanent disability in life will need *both* financial and services coverage. Hence, we do not stop with just financial coverage. We have carefully selected and developed these 8 services so you can be assured that your loved ones will always be looked after.

Choose your premium & coverage amount.

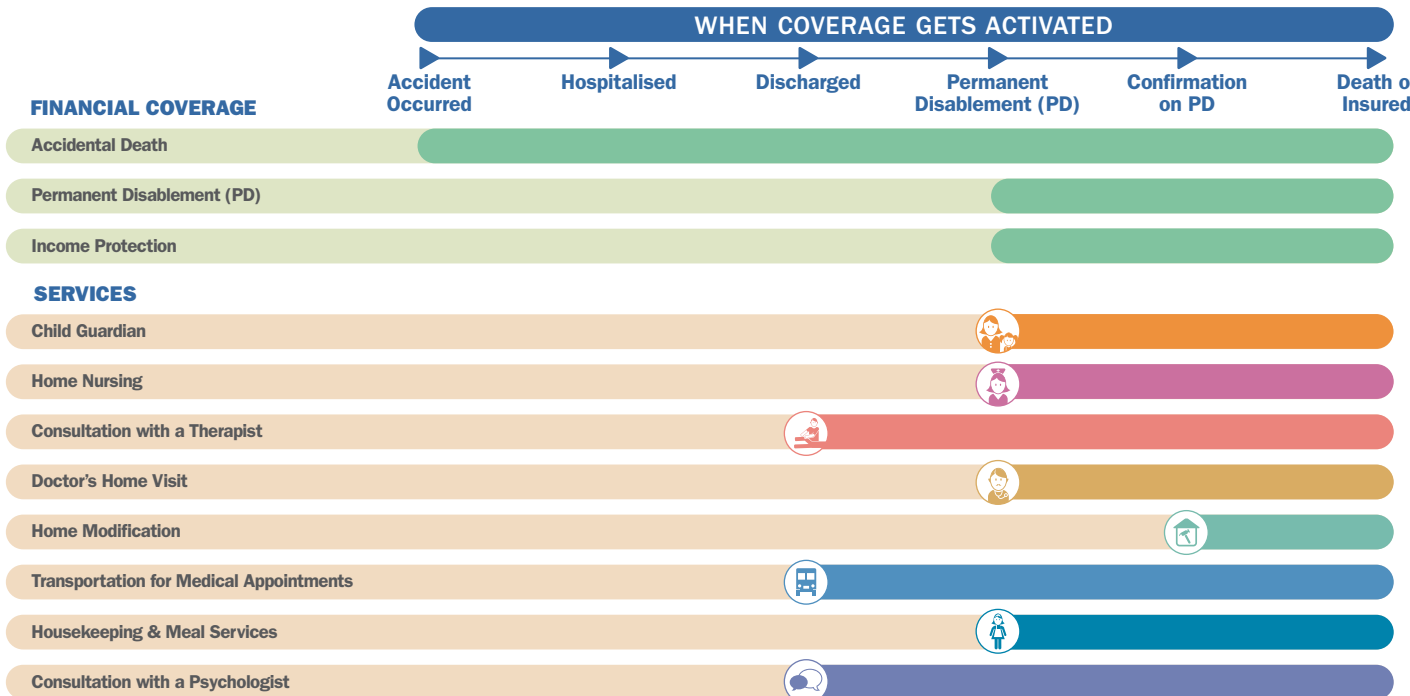

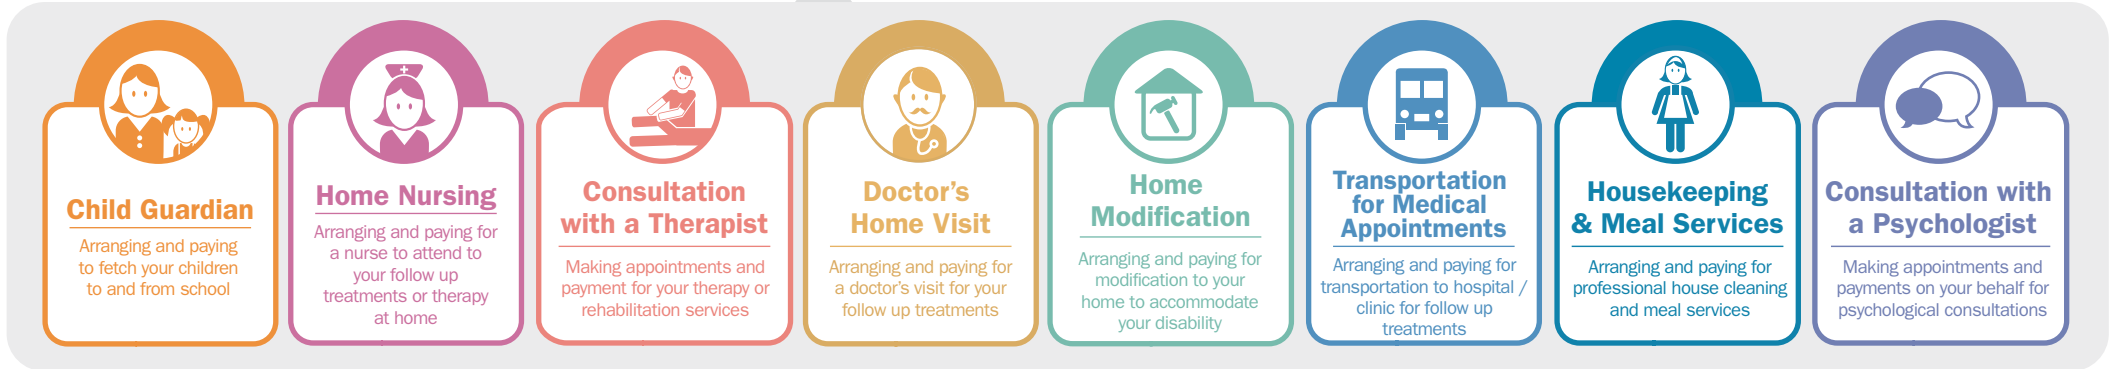

Choose from 3 coverage plans and pay only for what you need.

Enjoy the convenience.

You can enjoy the convenience of direct claims settlement via AXA Assistance Service Provider when any service benefit is triggered.

Only 1 overall coverage cap per plan.

Each plan will only have 1 overall coverage cap. With no varying sub-limits on each benefit, there will not be any confusion over the coverage amounts.
